1. GENERAL PART

1.1. Scope of Application

1.1.1 The Procuring and Disposing Entity invites applications for the pre-qualification of works, services or supplies described in **Appendix B**.

1.1.2 Throughout this document:

- (a) the “Applicant” means the bidder submitting an application; and
- (b) “Application” means a bid or submission to be short-listed.

1.2. Source of Funds

1.2.1 IUCEA received funds from the EAC Partner States and seeks to use part of the funds towards construction of a Phase II of its headquarters. Now the received funds from EAC Partner States have been allocated towards the cost of the procurement described in Appendix B. The Inter-University Council for East Africa (IUCEA) intends to use these funds for payments under the contract resulting from the bidding for which this short list is conducted.

1.3. Corrupt Practices

1.3.1 It is the Partner States of East the African Community policy to require that Procuring and Disposing Entities, as well as Applicants and Providers, observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the Partner States of the East African Community (herein referred to as the Authority):

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;

- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract; and
- (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government contract.

1.3.2. In pursuit of the policy, The East African Partner States require representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and Providers are required to indicate their acceptance of this code through the declarations in the Application Submission Sheet.
